Naptown Pride represented themselves well in Saturdays pool play and finished runner-up in Sundays championship play. Naptown was paced by the athletic and explosive play of 2016 **Ajanae Thomas, North Central**. Thomas was strong and aggressive on both ends and dominated parts of games. 6'4 2016 post **Symone Cathey, North Central** had a very good day as well. Cathey was posed with the ball in the paint and did an excellent job of using her frame to her advantage throughout the days contest. 2018 **Toni Grace, Fishers**, is a youngster to keep an eye on, solid skill set with quickness.

Following are a few player and team notes from Day 2 of the Game Over tourney at Avon High School. Sky Digg Elite White is comprised mainly of 2018s but it was 2020 CG **Keegan Sullivan, South Bend St Joes**, who was the focus of opponent's defense. Sullivan comprises rare combination of size and skill for her age, strong footwork going to the rim with good instincts for the game while playing up. 2018 G Molly Gillig , Carmel, was notable for her high motor and tenacity while showing off a solid skill set.

Sky Diggs Green, a talented group of players, was led by 2017 forward **Macee Williams, Fountain Central**, with one of the more dominating performances we've seen in the early club season. 6'1 Williams has a strong frame, soft hands, to accompany her solid skill set. Double doubles in both games including 26 and 25 point performances. **K.
