

USJN Indy 100
Day 1
July 9th Indianapolis, IN

IGBRR stopped in for the first day of the USJN Indy100 to check out some of the talent in the local event. Forty-four Indiana teams took part in in the two day event. Of those teams **Midwest Finest 15U** won their bracket championship in the 17U division, while both **Sky Diggs Parrish** and **Indy Lady Gym Rats White** won their respective bracket championships in the 13U division. There were also 50 Indiana pool all stars from the Indiana teams that participated in event. Following are some players who stood out during our viewing on the first day of the event.

2017 G 5'8 **M.Willoughby, Carroll-Flora / Flight**, has rocketed up into the top tier of the 17' class over the last year. Solid handles, good feel for the game and shooting the ball very well. At the Indy 100 she had to assume more of the PG responsibilities and represented very well. Has raised play to D1 level.

2018 G 5'9 **E.Patterson, Zionsville / Midwest Finest**, standout multi-sport athlete that plays with a physical presence. Can play and defend several positions. Good skill set to go with strong frame and athleticism. Goes hard on both ends.

2018 G 5'8 **K.Martin, West Lafayette / Indianas Best**, was a surprise find for us. We hadn't seen Martin on the club circuit but she played like a seasoned veteran. Very athletic and smooth, with good footwork going to the rim. Handled and finished against contact and had nice feel for the game on both ends.

2018 F 6'0 **C.Geiser, Evansville Central/ IE Swish**, solid forward frame and displayed good hands and footwork around the basket. Finished against contact with multiple moves in the post. Also showed ability to play from the wing and hit the open 15' jumper.

2018 F 5'10 **T.Burns, Twin Lakes / Indiana's Best**, played with intensity on both ends of the floor. Used her strong frame to play physical with and without the ball. Did a lot of the little things, saving possessions by rebounding or getting loose balls and getting deflections and turnovers on defense.

2019 G 5'7 **M.Johnson, Perry Meridan / Sky Diggs**, is as athletic as they come. Superior leaper from the guard position and explosive with the ball. Good going to the rim and finishing around the basket with her hops. Will need continued improvement on jumper to keep D honest.

2020 W 6'3 **C.Bosler, North Miami / Indianas Best**, has tremendous upside considering her age. Long athletic 6'3 frame and showed the ability to handle the ball some and shot the open jump shot. Also was willing to post up and mix it down low. While strength is not there yet and she will need continued improvement on her wing skills we are excited what she can develop into down the road.

2017 C 6'2 **L.Bode, Avon / Flight**, big strong post frame. Runs the floor well and fairly agile. Rebounds and defends well. Still finding her way on the offensive end but has made nice strides in the last year. Worked off the ball for position around the basket.

2019 G 5'7 **M.Jones, Western Boone / Gym Rats**, high motor guard that goes extremely hard on both ends. Quick first step with ability to score going towards the rim and capable jump shooter. Seems to improve skill set each time we see her, working hard on her game.

2019 F 6'0 **J.Gast, Valparaiso / NWI Thunder**, nice young post prospect. Solid frame for age, runs the floor well and operates pretty well around the basket with good footwork and multiple post moves. Attacks ball off the rim and plays physical for position on both ends.

2017 G 5'11 **D.Groninger, Warsaw / Thunderbirds**, long athletic frame with guard skills. Presents matchup problems with her ability to operate with the ball from the guard & wing spots along with her finishing ability with her length around the basket. Good feel for the game and deceptive athleticism.

Indiana Pool All-Stars

Pool AA

- Brooke Andrus, IN - Hoosier Elite (U14)
- Naomi Hege, IN - Flight (U12)
- Gracie Johnson, IN - Flight (U13)

Pool BB

- Alli Andrews, IN - Thunderbirds (U14)
- Emma Bohnenkamper, IN - Thunderbirds (U14)
