

USJN Indy 100
July 9th
Westfield, Indiana

IGBRR spent a day in Westfield for day one of the USJN Indy 100. While we were able to observe several teams that we had seen on our first two stops, below is our observation on Indiana squads & prospects we had not yet seen in July prior to this event.

Indy Magic Blanding – Indy 100 Champs of top Pools

Flight Storm

2018 5'5 PG **Addie Rund** Indian Creek

Small PG with a high motor and good instincts for the game. Competes on both ends, stays active on defense and creates deflections, steals, and gets after the 50/50 balls. She is very capable scorer on the offensive end with a consistent jumper and the willingness to go hard and be physical going to rim.

Heat

2018 5'7 G **Kyra Whitaker** Greensburg

Smooth athletic CG with a proficient skill set. Effective at the point with handles, quickness, bball IQ and ability to create space and setup teammates. Plays very well off the ball as well with movement and ability to read defense and set herself up for scoring opportunities. A bit under-exposed as a 2018, averaging nearly 16ppg through her first 2 varsity seasons.

Ice

2019 6'1 F **Lilly Hatton** North Harrison

Emerging as one of the premier post prospects in the 2019 class. Solid strong frame, gets off the floor very well, great body control at the basket, along with excellent hands and feet. Very comfortable with the ball away from the basket

with a reliable jumper at 15' as well. Rebounds well, pulling down nearly 8 a game in her high school season, and tied the state record in a title game with 8 block shots in the 3A State Championship game as a frosh. D1 prospect with offers.

2019 6'2 F **Gracie Hale** Floyd Central

Has the potential to be a very high end prospect in the 2019 class. Hale is a physical anomaly, in that she has a long strong 6'2 post frame but she runs the court and possesses the agility of a guard. As she continues to develop her skill set and processing she is one to keep a close eye on.

Indiana's Best Red

2018 5'8 G **Maci Heimlich** North White

Brings a lot to the table from the PG position, with the ability to score the ball, set the table for teammates, while being steady and valuing possessions. Shoots the 3 well and in bunches, handles with poise, has good court vision and a work horse on the court.

JBF Midwest

2021 5'8 G **Arianna Wiggins**

Even as a 2021 Arianna has already caught the attention of many coaches and national evaluators. Beyond her years with both her developed skill set and what she brings physically and athletically. The lefty CG uses handles and explosive step to get to the rim and finishes with body control and athleticism. The consistency on her jumper, including the 3, continues to improve. It will be fun to watch where she can take her game too in the coming years.

Lady Legit

2017 5'9 F **Kenigia Hamilton** Anderson

Undersize forward that's a bulldog on both ends of the floor. Kenigia uses her strong thick frame, good hands, and quick feet to impose her will around the basket. She goes hard to the rim for boards on both ends and her agility allows her to beat other post to long boards and 50/50 balls. Fun to watch. NAIA prospect

Lady Truth

2017 5'8 G **Bre Lloyd** Hamilton Southeastern

Lloyd has had a D1 skill set and been on radar for some time. A lefty combo that has a nice feel for the game, multiple weapons on the offensive end, including ability to shoot the 3 and get to the rim. Smooth with nice athleticism to compliment the rest of her attributes. D1 prospect with offers

Sky Diggs Elite

2019 5'7 G **Melody Johnson** Perry Meridian

As athletic as they come, with a pretty solid skill set. With her explosiveness, body control and strong base she is able to get to the rim and finish. Needs continued work on consistent jump shot and off hand confidence. Melody has tremendous hops with superior quick twitch response on relaunch.

Team Pride Larkins

2019 6'0 W **Jordyn Barga** Monroe Central

Nice strong frame for her age, with both agility and a developed skill set at the wing spot. Plays poised with good bball IQ, making good decision with the ball and processes well for her age. Plays hard and is able to use frame and strength to play physical on both ends.
