April 8-9 2017

Noblesville, Indiana

One of the first looks of the young club season at this years crop of high school prospects. Over 30 teams participated in the Mid-America qualifier. Led by Pool All-Stars and Purdue commits Kayana Traylor and Cassidy Hardin the Indiana Flight Thunder won the top pool championship with a 4-0 record on the weekend. Pool C/D championship was won by Indiana Flight Duke behind Pool All-Star 2020 PG Bayleigh Runner. In possibly the game of the weekend the Indy Gym Rats Red took the 15U Pool Championship on a buzzer beater by Pool All-Star 2019 Grace Waggoner. Following are several prospects that stood out in games we were able to attend during the event, along with the USJN Pool All-Star list (voted by coaches).

2018 SG 5'10 **Cassidy Hardin**, Center Grove HS / Indiana Flight Thunder, one of the premier deep threats in the state. The combination of her quick release and ability to create space with and without the ball makes her a tough defend . Shows good anticipation on both ends and rebounds from the guard position. Indiana Jr All-Star and Purdue Commit

2019 CG 5'10 **Rikki Harris**, North Central HS/ George Hill Lady Stars, smooth and versatile scorer. Can beat defender off the bounce, can post up opponents, along with a solid jumper. Rebounds well from the guard spot, and can defend multiple spots with athleticism and strong frame. A top 2019 and high D1 prospect.

2018 PG 5'8 **Keya Patton**, Inpls Cathedral / Indiana Showcase, explosive offensive skill set. Creates space for herself and teammates off the bounce with tight handles and high-end athleticism. Nice looking stroke, quick hands on defense, excels in the up and down game. High D1 interest picking up, Indiana Jr All-Star.

2019 SG 5'8 **Allie Fugate**, Bedford North Lawrence / Indiana Faith, nice consistent stroke from the 3 line. Shows good instincts on both ends and puts herself in position to make plays. Known as a shooter but has the ability to handle and facilitate the offense.

2019 F 6'1 **Elexah Roepke**, South Ripley / Indiana Flight Duke, big strong post frame with solid hands and feet. Works hard around the basket, runs the floor, and plays physical on both ends. Developing on the offensive end, nice looking prospect as she becomes more consistent finisher.

2019 W 6'0 **Grace Waggoner**, Vincennes Rivet / Gym Rats Red, a great combination of length, skill and a nose for the ball. Grace works hard and makes plays on both ends with her anticipation, determination and solid skill set. Was at her best going hard to the rim and showed the ability to take on contact and finish. Worked off the ball and showed versatility on both ends.

2019 W 5'9 **Reagan Hune**, Carmel / Gym Rats Platinum, tremendous athlete with some serious hops. Her athleticism really showed on the defensive end, with the ability to close on opponents and passing lanes and create overall pressure around the ball. Rebounded well against bigger opponents. Offensive game is improving, needs to continue to stretch her game.

2020 G 5'11 **Madeline Lawrence**, Winchester / Midwest Finest, high potential 2020 prospect. Has the combination of a strong athletic frame and a guard skill set. Was strong going to the rim and showed the ability to both take on contact and finish while having the body control to make finishing moves. Showed consistent jumper and ability to defend multiple spots. Looking forward to seeing her more against other high level prospects.

2020 SG 5'6 **Isabel Claywell**, Eastern Pekin / Sky Diggs Nottingham, showed confidence shooting the ball. Coming off a high school season as a freshman starter for the 2A State Champions. Needs to continue to add bulk and strength to frame. Handled pressure and made good decisions with the ball in both shot selection and creating for teammates.
