

2017 Run for Roses Recap

July 7-8th, 2017

Louisville, KY

2018 Emma Bohnenkamper 5'8 W Hoosier Premier Warsaw

Strong defender who can guard 1-3. Nice form on her jumper with quick, high release off the catch and range out to the 3 point line. Attacks poor closeouts and makes the read at the second level. Showed comfort playing on the interior offensively, doesn't back down physically. Keeps offense moving with quick reads on the catch and crisp passing.

2018 Cali Nolot 5'8 G Flight South North Harrison

Cali carried her high level of play this club season into the first July evaluation period. Combo guard with ability to score in bunches. Sees the floor well and has ability to make plays both in transition or off the dribble in the half court. Plays physical with strong guard frame on both ends. Good feel for the game, finds and creates space with and without ball. Indiana Jr All-Star

2018 Taelynn Oelling 5'11 F NWI Thunder Valparaiso

High IQ forward who can play inside/out on offense. Shows good post moves to create shots inside and is able to put the ball on the floor from the perimeter and get to the bucket. Stays active and engaged defensively, limits breakdowns. Fights hard for position on the interior. Ability as a passer from low and high post allow her to be the focal point of the offense if called upon.

2018 Addie Rund 5'5 PG Flight Indian Creek

High motor tough nose point that gets after it on both ends. Wins 50/50 balls, will play to contact at second level on attack to basket. Handles pressure, makes good decisions and values possessions. Capable shooter with court vision to distribute while on the attack.

2019 Sophia Bussard 5'7 G Always 100 Tippecanoe Valley

Makes good decisions with the ball in her hands in transition and in the half court. Has the ability to break her defender down off the dribble, finishing with variety at the rim and has a nice floater from the mid-range as well. Shows good form on her jumper and has range out to the three point line. Solid defender who can guard multiple positions and put pressure on opposing ball handlers.

2019 Peyton Crace 5'9 W Indiana Elite Charlestown

Showed a lot of versatility in her game with strong frame and good instincts. A bit of utility player in that she is able to fit into the frontline or backcourt on either end. Made plays with skill, athleticism and nose for the ball. Played aggressive on ball defense and capable of going to the boards against bigger opponents.

2019 Riley Ott 5'6 PG Always 100 LaPorte

The 19' class is deep with D1 guards, Riley is on that list. Quick, high motor point that makes plays from baseline to baseline. Pushes in transition with court vision, handles and IQ to create opportunities for teammates and herself. Capable shooter that can get to the paint as well. Excels at reading and reacting to defensive adjustments and making plays when structure breaks down. Multiple D1 offers

2019 Jada Roberson 5'7 G Gym Rats Pike

As quick and athletic as you will find in the backcourt. Plays downhill to the rim with her quickness and ball handling and finishes at the rim against bigs with athleticism and body control. Needs continue work on jumper for consistency. Uses athleticism to both rebound from the guard spot and apply on the ball pressure defensively . Multiple D1 offers

2019 Elise Skaggs 5'10 W Gym Rats Mooresville

Creates and attacks seems in the defense off the dribble getting to the rim on a regular basis where she can finish through or around contact. Strong frame makes her hard to handle for opposing wing defenders. Stretches the floor with 3 point shooting ability. Active and physical defense on and off the ball, forces turnovers and disrupts opponents timing.

2019 Haley Swing 5'11 F Always100 Homestead

Surprisingly physical and strong in the post given long build, typically the one initiating contact. Variety of moves in the post with back to the basket and facing up. Consistent finisher in traffic. Range out to 3 on her jumper and has the ability to put the ball on the floor and attack closeouts. High energy defender, gobbles up boards and changes shots on the interior. Multiple D1 offers

2019 Josie Hudson 6'0 W IE Swish Evansville Mater Dei

Athletic length, versatile skill set and a hard hat attitude. Capable of playing physical as a frontliner or showing fluid skill set from backcourt. Can score at all three levels, solid interior passer, and competes defensively. Can matchup at multiple spots and rebounds at a high level. D1 offer

2019 Ajulu ThaTha 6'2 F Team Indiana Decatur Central

Long athletic frame, runs the floor well with quick feet and lateral quickness. Rim protector on D with athletic length, wing span and ability to close quickly. Offensive skill is improving with nice touch around the rim, solid footwork and more confidence in finishing moves. Multiple D1 offers

2019 Emma Utterback 5'7 PG Team Indiana Center Grove

Quick, athletic point with high motor. Gets after it on the defensive end applying pressure on the ball. North\South guard that pushes well in transition attacking the defense and opening up space for teammates with handles, quickness, and court vision. Capable shooter out to three with nice balance in offensive game. D1 offer

2020 Kendall Bostic 6'1 F Flight Northwestern

Strong, broad shoulder D1 frame with a physical presence on both ends. Rebounds at a high level, soft touch around the rim with capability of hitting at 15'. Passes the ball well both out of the post and from elbows in high/low. Could stand to add to vertical but owns her space. Multiple high D1 offers.

2020 Khera Goss 5'10 W Gym Rats Ben Davis

Great athlete, long frame, with high level motor. Locks down on defense, gets hands on balls and makes plays. Improving skill set from the backcourt. Capable of hitting jumper but excels at slashing and making plays around the basket and in transition. Multiple D1 offers

2020 Tia Tolbert 5'9 W Flight South Vincennes Rivet

Always in attack mode offensively, getting into the paint on drives with regularity. Sets up teammates for easy scoring opportunities. Finishes strong at the rim often drawing fouls, converts at the free throw line at a strong rate. Needs to become a more consistent threat from the 3 point line. High motor on both ends, not one you'll catch taking many (if any) plays off.

2020 Reagan Pate 5'7 PG Hoosier Premier Penn

Has solid backcourt skill set for a youngster and demonstrates ability to handle pressure and make the right decision while playing up against high caliber competition. Solid jump shooter out to the 3 line that currently defers on the offensive end at this time but shows the skill set to get scoring opportunities when needed. Will need to add to frame to become stronger and more physical presence on both ends.

2021 Katie Burton 5'6 G Showcase Fishers

Playing up to the 17u level and was still able to establish herself as a threat to score anytime she touches the ball. Strong ball handling allows her to create her own shot off the dribble. Shows range on her jumper out to the 3 point line, both off the dribble and on the catch. A willing passer but can still work on shot selection at times.

2021 Jade Nutley 6'1 F Faith Madison

Already has a strong frontline high school frame to go with advanced skill for age. Dominated at times against grade level. Finished consistently around the basket and showed confidence with ball on the wing. Rebounded at a high level. Looking forward to seeing her at the high school level against older stronger competition.

2021 Emma O'Brien 5'3 PG NWI Thunder Morgan Township

Our first look at this small gritty point. Showed ability to handle in traffic and against pressure. Made open jumpers out to the 3 line, found open teammates in transition and created space off the bounce. Will need to add additional strength and bulk to frame but look forward to seeing more as she progresses.
