Indiana Prospects

2019

Amani Freeman 6'1 C 2019 Indiana Showcase Avon HS

Has continued to improve offensive skill set over the last year. Demonstrated ability to hit 8-12 foot jumper and played with confidence in the lane. Played over both shoulders and was quick off her feet on post execution. Runs the floor well, showed athleticism on defensive end as shot blocker and has ability to rebound outside area.

Maddie Knight 5'7 G 2019 Sky Diggs Elite Noblesville HS

Able to get in the paint off the dribble regularly. Finishes well in traffic and has a variety of moves to put bigs in tough spots and draw fouls. Quick hands and feet make her a strong on ball defender. Good shooter from the outside and hits free throws at a high rate

Jasmine Lilly 5'6 PG 2019 Sky Diggs Elite Jeffersonville HS

Deceptively quick. Strong ball handling ability. Improved as a shooter, especially off the dribble, and is not a player you want to leave open. Rarely out of position defensively and times help well. Willing passer who can create for her teammates.

Alaina Rongos **6'0** **W** **2019** **Always 100** **Fort Wayne Canterbury HS**
Long, fluid with solid ball skills. Has the frame and strength to play in the paint against forwards while also possessing the face up skill set and agility to play on the wing against more agile matchups. Can step out and shoot the three, but mid-range game and attacking with length is where she excels. Rebounds well and can defend multiple spots.

Madeline Schumacher **6'0** **G** **2019** **Indiana's Best** **North Judson HS**
Long solid frame, combined with guard skill set. Showed versatility on both ends of the floor using length, ability to score at all levels, and overall feel to make for a tough matchup. Doesn't necessarily possess explosiveness but able to use size and strength to create space on penetration and get to the free throw line. Rebounds well from backcourt and can defend with length.

Cameron Tabor **5'9** **G** **2019** **Indy Magic** **New Castle HS**
Plays with confidence. Excels at creating her own shot and is able to hit tough shots off the dribble in the midrange. Always in attack mode and looking for her shot but makes good decisions and is a willing passer. Tough to contain in the pick and roll.

Hattie Westerfeld **6'3** **C/F** **2019** **Always 100** **Batesville HS**
A bit under the radar after missing July evaluations last year while recovering from injury and playing High School ball in Southeast Indiana. She should quickly become a hot commodity after moving to an elite level club team. Long strong frame with wing span, runs the floor well, good feet in open space. Improving balance and feet with the ball in the post. Comes with strong work ethic and aggressive deposition on both ends. Agility and ability to block and change shots at the rim.

Ra'Shaya Kyle **6'6** **C** **2020** **Always 100** **Marion HS**
Overpowering in the paint on both ends of the floor. Continues to improve her ability and comfort with putting the ball on the floor, not afraid to board, turn and push. At times it seems like every rebound finds her hands. Finishes well around the rim. Confidence and consistency is improving.

Juliana Kemper **5'10** **G** **2020** **Cincy Swish** **Lawrenceburg HS**

2021

Carly Culberson **5'7** **G** **2021** **NuVision Sportz** **Yorktown HS**

We first saw Carly last Fall and was excited about the combination of skill and athleticism this youngster brought to the court. Fast forward 6 months later and a big frosh season behind her and she can be considered among some of the elite guards in her class. She has added strength, will need to continue to add to frame, explosive with the ball and can create shots at all levels with her athleticism and handles. As with most youngsters, will need to be more consistent and dribbles herself into bad spots/shots at times. Playmaker with growing game.

Mariah Dickerson **6'0** **F** **2021** **IE Swish** **Evansville Mater Dei HS**

Big strong frame and is a physical mismatch for most at her grade level. Good athlete that runs and moves well and goes to work in the paint. Rebounds out of area, plays physical and assertive on most possessions. Continue work on face up game at midpost will open up space for her. Owns her area deep in the paint and throws the ball out off of defensive boards very well in transition.

Jaclyn Emlly **5'9** **G** **2021** **Flight South** **Silver Creek HS**

Nice smooth reliable game from the point. Handles pressure, makes solid reads, and gets herself and teammates in spots to get good shots. Has nice size from the guard spot, shows good instincts on both ends. Takes care of the ball and values possessions.

Nakiah Hunter **5'11** **F** **2021** **Flight** **North Central HS**

Plays physical on both ends of the floor. Relentless rebounder with a high motor. Finishes through contact around the rim. Attacks the basket off the bounce and holds the edge on drives well. Good athlete that owns her space around the basket.

Maycee Lange **5'11** **F** **2021** **Team Indiana** **Vincennes Lincoln HS**

Long fluid athlete that operates well with agility around the hoop. Has the ability to face up and hit an open jumper or take it to the rim. Excels with length, wings and the ability to bounce off the floor to get rebounds and shots off in crowded space near the rim. Gets to the free throw line and efficient on touches.

Moira McGinley **5'7** **G** **2021** **Best Choice** **Bishop Chatard HS**

Quick and compact release on her jumper and is able to convert at a high rate from three. Strong ball handler who gets downhill on drives, is an especially strong finisher with her right hand and shows improvement with the left. Disruptive defender with quick hands and good timing in passing lanes.

Jordyn Smith **5'5** **PG** **2021** **MBA Select** **Penn HS**

One of the premier PG in the 2021 class. Coming off a solid freshman campaign for 4A power program Penn. Can do a little bit of everything, can shoot it, creates space with explosive step and handles, court vision and good tempo. Gets after defensively with quick hands and anticipation.

Deadly from deep with a lightning quick stroke. Good decision maker offensively, excels at setting up teammates for easy looks. Excellent ball handler with deceptive quickness and good change of speed. Active on D, times passing lanes well. Crafty player with a high basketball IQ.

Grace Sullivan **5'6** **G** **2021** **Always 100** **Fort Wayne Canterbury HS**
High IQ floor general. Constantly creating open shots for teammates. Shows really good decision making out of the pick and roll. Keeps the defense on their heels and off balance. Pushes the tempo in transition and is often able to generate a score when leading the break.

2022

Kate Clarke **5'11** **W** **2022** **Indy Magic** **Carmel HS**
Kate has been on the radar for a while and is off to a solid start to the club season in the high schools divisions. Combination of size, athleticism and guard skill set sets up for a tough matchup for opponents. Has nice stroke from the three line, can put it on the floor and create space using length to elevate for shot creation at mid-range or at the rim. Will need to continue to add strength and some more physicality to game but comes with a high ceiling.

Allison Saunders **5'5** **G** **2022** **Southern Indiana Venom** **North Harrison HS**
Impressed with both skill set and poise she played with for such a youngster. Has playmaking ability using solid handles, court vision, and overall nice instincts for the game. Scored at all levels, made good decisions with the ball and showed a confidence in her game.
