

## 2019 USA Girls Basketball Winter Elite Camp

Recap & Photo Gallery

December 30, 2019

Eighty of Indiana's top young, 6<sup>th</sup>-8<sup>th</sup> grade, basketball prospects participated in the USA Girls Basketball Winter Elite Camp at Finch Creek Fieldhouse in Noblesville on December 30<sup>th</sup>. The camp was ran by head trainer Natalie Morse and her staff. The trainers consisted of four former Indiana Miss Basketball winners (96' Lisa Winter-Finn, 97' Lisa Shepard-Stidham, 10' Courtney Moses-Delks, 11' Bria Goss) along with five current high school standouts. The participants spent twenty minutes at each of the three skill stations with the trainers along with a rotation through an athleticism measurement station. At the conclusion of the station work the participants were able to listen to a round table lecture where the trainers shared their vast experience and knowledge of the game with the campers.

IGBRR was the exclusive evaluator for the camp and with the feedback of the camp staff and trainers selected the All-Camp team, Mental Attitude Award winner, and MVP. Those selected received a plaque that was signed by the camp trainers. We were able to view several familiar prospects along with many new ones while at the event. Below is a listing of those named to the All-Camp team, along with a photo gallery from the day.
