Indiana Girls Basketball Recruiting Report is entering its sixth season of covering and promoting Indiana Girls High School and grassroots basketball. This year also marks our 23rd year of involvement in the girls game dating back to the original Fifth Quarter service and website. It is our goal to maximize the exposure of Indiana girls basketball and its players in a fair, consistent and accurate manner. While we have covered 37 teams and hundreds of prospects in this preview publication we realize there are many other teams and prospects that are deserving of the publicity and exposure. Feel free to reach out to us at any time through social media, email or phone to assist in sharing and promoting these team's & prospect's achievements throughout the year. Good luck on your journey this season and we hope to see you in the gym.

We would like to take a moment to also thank all of our partners, advertisers, and supporters. We would also like to thank all of the prospects, coaches, and parents who supported our events and projects this year. Through a collaborative effort it is our hope that we can support Indiana Girls High School basketball to its fullest.

# 4A Indiana High School Preview

Hamilton Southeastern finally broke through a long sectional drought, in one of the state's toughest sectionals, and rode that momentum to their first state championship. HSE brings back Miss Basketball candidate Sydney Parrish but graduated a significant amount of that championship team. Lawrence North, who was on the losing end of the state title game, brings back nearly their entire roster including both senior and junior all-star candidates. North Central, Crown Point, and Penn return some of the top talent in the state. Homestead graduated key pieces but brings back significant talent and will once again be among the elite in 4A. Two time 3A State Champion Northwestern moves up to 4A, through IHSAA success factor, and are to be contended with as they feature two Miss Basketball candidates in Madison Layden and Kendall Bostic that have a history of winning. Jeffersonville Miss Basketball candidate Nan Garcia and her teammates will be in the conversation as well. Strong representation from all parts of the state will make the 4A season and particularly February very entertaining.

### Lawrence North Wildcats

Coach Griffin

Conference Metropolitan

Sectional 10

2018-19 Record: 22-7

2018-19 Final Sagarin Rank:5

2018-19 IGBRR Preseason: 8 / IGBRR Final Regular Season: 9

2018-19 Schedule Rank: 4

Leading returning scorer & rebounder: (Jr.) Jayla Smith 14 PPG (Sr.) Lauen Gunn 6.5 RPG

Returning % of scoring: 92

Notable newcomers: (Fr.) Monica Williams

Notable games: North Central (Nov 20), Carmel (Dec 3), Brownsburg (Dec 21), Homestead (Jan 11), HSE (Jan 21)

Sectional Notes: The last two state finals representatives from the south have come from Sectional 10 and the MIC and that trend could continue as LN should a favorite to get back to Bankers Life Fieldhouse.

The Wildcats were the state runner-up a year ago and return nearly all the key components from that run. Lawrence North will have a balanced, athletic, deep, and experienced returning cast led by junior all-star candidate **Jayla Smith** 14ppg and two Indiana All-Star candidates in **Katie Davidson** (Miami, OH commit) (10.5ppg / 4rpg) and point guard **Kristian Young** (Illinois-Chicago commit) (9.2ppg / 4rpg). Throw in another D1 commit in athletic wing **Lauren Gunn** (Valparaiso commit) ( 5ppg / 6.5rpg) and the eventual return of 6'1 frontline **Justis Odom** (6ppg /3rpg) from injury. Several other Wildcats have experience and will be counted on for contributions including **Kalyn Ervin**, **Shamaria Walker** and talented freshman newcomer **Monica Williams**.

### North Central Panthers

Conference Metropolitan

Sectional 10

2018-19 Record: 19-7

2018-19 Final Sagarin Rank: 4

2018-19 IGBRR Preseason: 2 / IGBRR Final Regular Season: 8

2018-19 Schedule Rank: 1

Leading returning scorer & rebounder: (Sr.) Jaz McWilliams 13.5 PPG (Sr.) Jaz McWilliams 7.2rpg RPG

Returning % of scoring: 82%

Notable newcomers: (Fr.) Ava Couch, Trinity Archey

Notable games: Lawrence North (Nov 14), @ BNL (Nov 16), Homestead (Dec 21), Northwestern (Jan 19)

Sectional Notes: Sectional 10 will be another slug feast of two of top teams in the state in NC and LN. The south rep at the State Finals has come out of this sectional the last two years

The Panthers will have to replace two talented pieces from a year ago in Harris & Brockington (limited games due to injury) but the talent is there to compete and be among the elite in 4A. North Central returns one of Indiana's hottest college prospects in 6'3 junior all-star candidate **Meg Newman** (9.5ppg / 4.7rpg). Senior All-Star candidate **Jaz McWilliams** (Northwestern commit) (13ppg / 7.2rpg) returns as well, second year at NC after transferring from Carmel. Sophomore **Tanyel Welch** (8.2 / 2.5apg) and junior **Nakaih Hunter** (10.7ppg / 5.5rpg) return with starting experience as well. Others that will contribute will include track star **Ramiah Elliott** (6ppg / 7 rpg), **Ariel Helm**, **Alivia Terry**, 6'4 **Dynasty Witherspoon** and freshman **Ava Couch**.

#### Crown Point Bulldogs

Coach Seibert

Conference Duneland

Sectional 2

2018-19 Record: 28-1

2018-19 Final Sagarin Rank:9

2018-19 IGBRR Preseason: NR / IGBBR Final Regular Season: 2

2018-19 Schedule Rank: 71

Leading returning scorer & rebounder:

(Soph.) Jessica Carrothers 21.5 PPG

(Soph.) Lilly Stoddard 6 RPG

Returning % of scoring: 72%

Notable newcomers: (Sr) Dash Shaw (Gary West transfer) (Fr.) Brooke Lindesmith

Notable games: Brownsburg (Dec 27), @ Carmel (Jan 4), @ FW South (Jan 18)

Sectional Notes: Sectional 2 Crown Point won their first sectional in 18 years and will be favorites to repeat.

The Bulldogs will have to replace the production of Vandeel & Phillips, which accounted for 17ppg but the transfer of Gary West's **Dash Shaw's** (24.3ppg) instant offense into the lineup should go a long way in providing that. Sophomore **Jessica Carrothers** returns from a spectacular frosh campaign (21.5ppg / 5.5 rpg / 3 apg). Sisters, senior 6'1 **Abby Stoddard** (9.3ppg / 4 rpg) and 6'3 sophomore **Libby Stoddard** (5.5ppg / 6 rpg) give the Bulldogs plenty of length. Junior **Alyna Santiago** (6.7ppg / 3.5 rpg) will be a big contributor as well. **Tyndall, Govant, Goodman** will all be counted on for minutes too. The Bulldogs will have a starting lineup to rival any in the state, development of the depth will be key.

#### Penn Kingsmen

Coach Ulrich

Conference Northern Indiana

Sectional 4

2018-19 Record: 25-1

2018-19 Final Sagarin Rank:8

2018-19 IGBRR Preseason: 9 / IGBBR Final Regular Season: 4

2018-19 Schedule Rank: 45

Leading returning scorer & rebounder:

(Jr.) Trinity Clinton 14.5 PPG

(Jr.) Trinity Clinton 6.4 RPG

Returning % of scoring: 82%

Notable newcomers: (Jr.)Kaitlyn Costner (Elkhart Central transfer), (Fr.) Julia Economou

Notable games: Brownsburg (Dec 27), @ Carmel (Jan 4), @ FW South (Jan 18)

Sectional Notes: Sectional 4 The Kingsman have won 8 of the last 9 sectionals and will be favorited for another.

The Kingsmen return significant pieces from a 25 win team a year ago and have added another in junior all-star candidate transfer **Kaitlyn Costner** (16ppg / 2.5apg) to the mix (who may not be eligible until the state tourney). The issue being that two of those pieces in Costner and injured junior guard **Jordyn Smith** (10ppg / 2.5apg) may not be in play until tourney time. Junior all-star candidate **Trinity Clinton** (14.5ppg / 6.4rpg) returns as the team's leading scorer & rebounder from a year ago. Perhaps the state's top deep ball threat **Reganne Pate** (Saint Francis commit) (12.4ppg / 100 3s) returns as well. The Kingsmen have a front line that includes 6'2 senior **Antreese Shelton** (Purdue Northwest commit) (5.7ppg / 4.7rpg), and athletic sophomore **Jada Patton** but Grace Adams did not return to play this year. Penn also has a deep pool of additional talent, including **Grace Schutt, Caroline Morris, Sydney Little**, freshman **Julia Economou**. Come tourney time the Kingsman should have plenty of talent to draw upon.

## #5

### Homestead Spartans

Coach Parker

Conference Summit

Sectional 6

2018-19 Record 25-4

2018-19 Final Sagarin Rank: 6

2018-1 IGBRR Preseason: 1 / IGBBR Final Regular Season: 5

2018-19 Schedule Rank: 21

Leading returning scorer & rebounder:

(Soph.) Ayanna Patterson 12.8 PPG

(Soph.) Ayanna Patterson 7.5 RPG

Returning % of scoring: 50%

Notable newcomers: (Fr.) Molly Stock, Allison Stephens, Sydney Fream

Notable games: Carmel (Nov 9), @ North Central (Jan 3), Lawrence North (Jan 11), Heritage Christian (Jan 27)

Sectional Notes: Sectional 6 Homestead was able to reclaim the Sectional after losing it for the first time in four seasons in 2018. They will have to contend with a talented Fort Wayne South once again.

The Spartans lost seven seniors and a lot of experience from a year ago, most notably starters Starks, Swing, and Gealy. However, as they seem to always do, the Spartans will be bringing back plenty of talent from a season ago which will include senior all-star candidate **Sydney Graber** (*Central Michigan commit*) (10ppg/6.rpg), senior teammate **Rylie Parker** (*Purdue Fort Wayne commit*) (8ppg, 3apg) & sophomore sensation **Aynna Patterson** (13ppg. 7.5ppg) Reserves from last year that will play bigger roles this year include juniors PG **Grace Sullivan** & forward **Amber Austin**. Sprinkle in two of the state's top newcomers in freshman prospects **Alison Stephens** & **Molly Stock**, along with sophomore **Maggie Keinsley**. The Spartans will once again be among the elite.

## #6 Northwestern Tigers

Coach Layden

Conference Hoosier

Sectional 7

2018-19 Record: 27-3

2018-19 Final Sagarin Rank: 2

2018-19 IGBRR Preseason: 1 (3A) / IGBBR Final Regular Season: 1 (3A)

2018-19 Schedule Rank: 35

Leading returning scorer & rebounder:

(Sr) Madison Layden 22 PPG

(Sr) Kendal Bostic 9.3 RPG

Returning % of scoring: 83%

Notable Newcomers: (Fr.) McKenna Layden

Notable games: @ Carmel (Nov 16), @ North Central (Jan 25)

Sectional Notes: Sectional 7 The Tigers have won their last three sectionals converting two of those into 3A state championships. They have moved up to 4A but will be heavy favorites in their new sectional as well.

The dynamic duo of senior all-star and Miss Basketball candidates **Madison Layden** (*Purdue commit*) (22ppg / 4.8rpg / 6.7apg) and **Kendall Bostic** (*Michigan State commit*) (18.7ppg / 9.3rpg / 3apg) make up the top outside/inside combo in the state. Senior Klair Merrell (*Indiana Wesleyan commit*) 7.2ppg will be another key contributor. Newcomer 6'1 frosh **McKenna Layden** along with 6'0 sophomores **Leah Carter**, **Audrey Koetter** and senior **Sarah Heaver** will give the Tigers added production. The firepower from Northwestern's veterans is their strength and getting consistent minutes from reserves will be key at the 4A level.

### Jeffersonville Red Devils

Coach Warren

Conference Hoosier Hills

Sectional 15

2018-19 Record 14-10

2018-19 Final Sagarin Rank: 18

2018-19 IGBRR Preseason: 4 / IGBRR Final Regular Season: 19

2018-19 Schedule Rank: 19

Leading returning scorer & rebounder:

(Sr.) Nan Garcia 20 PPG

(Sr.) Nan Garcia 9 RPG

Returning % of scoring: 83%

Notable Newcomers: (Fr.) Candence Singleton, Sophia Reese and Tatum Mcfarland

Notable games: @ Silver Creek (Nov 22), BNL (Nov 23), Jennings County (Nov 26)

Sectional Notes: Sectional 15 Surprisingly the Red Devils have not won a sectional title since 2011. BNL and Jennings County will be the major obstacles to break that drought.

The Red Devils are coming off a somewhat disappointing season a year ago that saw injury and a first round loss in the sectional to BNL, which was the fifth straight loss to BNL. Jeffersonville features one of the most dynamic players in the state in senior all-star candidate **Nan Garcia** (*Penn State commit*) (20ppg / 9 rpg). Fellow seniors **Kelsi James** (*IU Kokomo commit*) (4.5ppg / 2.8 apg) and **Kiersten Poor** (*Grace commit*) (8.7ppg / 4rpg) both bring experience and skill to the Red Devil lineup. Junior **Alexis Gibson** is expected to be a consistent contributor as well. Others that will play roles include **Estes, Haire, Gillenwater,** and **Bates**. Jeffersonville has a freshman class that should give key minutes as well including **Candence Singleton, Sophia Reese** and **Tatum Mcfarland**.

## #8

### Brownsburg Bulldogs

Coach Guckenberger

Conference Hoosier Crossroads

Sectional 12

2018-19 Record: 20-4

2018-19 Final Sagarin Rank: 7

2018-19 IGBRR Preseason: 7 / IGBRR Final Regular Season: 6

2018-19 Schedule Rank: 12

Leading returning scorer & rebounder:

(Sr.)Allison Bosse 15.7 PPG

(Jr.) Aly Becki 5.5 RPG

Returning % of scoring: 70%

Notable Newcomers: (Fr,) Kailyn Terrell, Qunci Thomas

Notable games: @ BNL (Nov 15), HSE (Nov 26), Carmel (Dec 13), Greensburg (Jan 24)

Sectional Notes: Sectional 12 After getting knocked out in sectional play the Bulldogs look to win their third in four years in a very competitive field.

The Bulldogs return a good portion of the 20 win team from a year ago. That includes junior all-star candidate **Aly Becki** (*Ball State commit*) (13.4ppg / 5.5rpg), who is returning from injury. Seniors **Allison Bosse** (*Marian commit*) (15.7ppg) and **Mackenzie Stein** (*UIndy commit*) (8.5ppg / 3 rpg) are experienced highly productive veterans as well. Senior **Mackenzie Bedrick**, freshman **Kailyn Terrell** and **Qunci Thomas** are expected to be major contributors too. The Bulldogs are deep and skilled at the guard spot but are thinner up front and will have to rely on some younger inexperienced play.

### Hamilton Southeastern Royals

Coach Huppenthal

Conference Hoosier Crossroads

Sectional 8

2018-19 Record 27-1

2018-19 Final Sagarin Rank: 1

2018-19 IGBRR Preseason: 3 / IGBRR Final Regular Season: 1

2018-19 Schedule Rank: 8

Leading returning scorer & rebounder:

(Sr.) Sydney Parrish 21 PPG

(Sr.) Sydney Parrish 7 RPG

Returning % of scoring: 54%

Notable Newcomers: (Fr.) Olivia Brown, Lauren Stewart, Riley Makalusky

Notable games: @ Brownsburg (Nov 26), Carmel (Nov 29), @ Lawrence North (Jan 21),

Sectional Notes: Sectional 8 HSE broke through last year winning their first sectional since 2007 and rode that to the state championship. Expect another one the states most competitive sectional.

The Royals 2019 class won 79 games and a state championship over their 4 years, they also represented over 43% of the offense last season. The Royals still have plenty of talent but roles will change and that experience alone will be difficult to replace. Miss Basketball candidate **Sydney Parrish** (*Oregon commit*) will shoulder even more of the load after leading her team in both points & rebounds as a junior (21ppg / 7rpg). Fellow senior guard **Jackie Maulucci** (*Ind. Wesleyan commit*) (7.2ppg) will be leaned on as the other go to playmaker on the squad. Seniors **Lauren Morris** (*Holly Cross commit*), **Bailee Poore**, junior **Lydia Self** and sophomores **Mikayla Hinshaw** and **Ryan Viele** will all see more opportunity. Talented frosh class of **Brown, Stewart, Makalusky and Acres** could also make an impact.

Returning % of scoring: 81%

Notable Newcomers: (Fr.) Olivia Smith, Hailey Smith

Notable games: Zionsville (Nov 26), HSE (Dec21), Carmel (Jan 21), @ Lawrence North (Jan 28)

Sectional Notes: Sectional 8 Fishers has not won a sectional since 2014 and once again it will be a tough road to advance. Expect another one the states most competitive sectional.

The Tigers bring back over 80% of their production from a 15 win team a season ago, which includes junior all-star candidate **Katie Burton** (13.7ppg / 3.7rpg). Three other players are hold over starters from last year's team, seniors **Tamia Perryman** (*Marian commit*) (9.3ppg / 7 rpg), **Lydia Stulken** (*DePauw commit*) (4.7ppg / 4.5rpg), and junior point guard **Audra Emmerson** (6.2ppg). Others returning with varsity experience include three point bomber **Katie Howard**, seniors **Kaitlynn Feagan** and **Regan Newman**. Expect the talented freshman twin sisters **Hailey & Olivia Smith** to make an immediate impact for the Tigers. Fishers will have deep talented backcourt play but will need to find added depth up front.

Notable Newcomers: (Fr.) Hannah Lach

Notable games: @Homestead (Nov 9), Northwestern (Nov 16), LN (Dec 3), North Central (Dec 20), Penn (Jan4),

Sectional Notes: Sectional 8 as usual will be a blender of several 4A heavyweights, including defending state champs

One thing you can be sure of and that is the Greyhounds will be tested come tourney time, with no less than 10 opponents in the IGBRR 4A Preseason Top 20 on their schedule. Carmel returns two of their top three scores from a year ago but graduated four seniors and over 50% of their points. The duo of junior all-star candidate 6'2 **Bridget Dunn** (9.2ppg / 5.5rpg), and talented 6'0 sophomore **Kate Clake** (9ppg) will keep the Greyhounds competitive most nights. Junior **Talley Seitz** (3.6ppg) and senior PG **Kiara Kill** (3ppg) will be key contributors as well. **Pennington, Gartenhuas, Collins, Edwards** were a few reserves from a year ago that will see more court time this year.

While there is still an Allen on the sideline, Coach Jeff Allen, there isn't one on the floor for the first time in eight seasons. With the departure of Indiana Miss Basketball Jorie Allen, the Stars have a big void to fill but BNL brings back five players with significant varsity experience. 6'3 senior all-star candidate **Madison Webb** (SIU Commit) (9.3ppg / 7rpg) will anchor the post, while junior sharp shooter **Chloe McKnight** will bomb away from the perimeter. Juniors **Irye Gomez, Jenna Loudon**, and senior **Gracie Crulo-Rood** will all play important roles in the backcourt. Juniors **Haley Deckard** and **Peyton Sweet** will provide depth up front. Freshman PG **Karysn Norman** will step in and make her mark immediately.

# 3A INDIANA HIGH SCHOOL PREVIEW

The departure of two time defending state champion Northwestern to 4A, through the success factor, opens the door in the 3A field. At the same time, Heritage Christian drops back down to 3A where they are just four years removed from a 3A title and bring a very talented squad to the 3A class. Greensburg has been a steady contender in 3A over the last four years, including a state runner-up, and bring a very talented and experienced squad into the season. Silver Creek added, through transfer, to their already deep roster, while Danville, Vincennes Lincoln, and Bishop Chatard all return over 80% of their offense from successful seasons a year ago. It is a very deep field, with a good deal of parity. Arguably a razor thin difference from #8 through #20, all with multiple strengths but most replacing important pieces. Some with the high level take over player but perhaps not the depth, while others may have the depth but perhaps lack the dominate player. It should be a fun season in 3A which includes some of Indiana's top players and teams.

Sectional Notes: Sectional 19 The Knights will compete with South Bend St Joe & SB Washington for the title in a competitive sectional.

It will be a mixed bag for the Knights entering the 2018-19 season. They graduated nearly 50% of their offensive output including that of frontliners Weaver, 14ppg, and Payne, 12.3ppg. However, they will return much of their backcourt in Junior All-Star candidate **McKenzie Hudgen** (11.7pp & 4.2rpg) and sisters **Jaiden** (6.2ppg) and **Payton Rangel** (4ppg). Several of the 2A powers over the last couple of seasons have moved on to 3A including defending State Champ Oak Hill, two time runner-up Winchester, and 2018 State Champ Central Noble. That leaves a couple heavy weights, a handful of contenders and a few coming in from other classes with promise. Triton Central has won 20 plus games the last three seasons and has one of the state's top starting lineups regardless of class and should be considered a favorite. Hammond Noll features three talented juniors, including a 2021 Miss Basketball candidate, while Linton Stockton stars three sensational juniors of their own including a Junior All-Star candidate. Eastern brings back nearly its entire roster from a 21 win season. Several other squads will feature talent to compete at the top and a few will be dangerous come tourney time as they return players that may not return from injury until late.

(Jr.) Laila Rogers 6.5 RPG

Returning % of scoring: 76%

Notable games: Heritage Christian (Jan 11), Crown Point (Jan 29)

Sectional Notes: Sectional 33 Hammond Noll will be heavy favorite to win their 7<sup>th</sup> straight sectional.

The Warriors are led by a talented trio of juniors that include Junior All-Star candidate **Courtney Blakely** (20.5ppg & 4.5apg). The other two heads of that monster include guard **Rose Fuentes** (12ppg & 4.8apg) and athletic frontliner **Laila Rogers** (10ppg & 6.5rpg). Hammond Noll will need to replace the production up front from the graduation of Kristian Steele and Eris Harris.

Notable games: Triton Central (Nov 30), Danville (Dec 27), Loogootee (Jan 25)

Sectional Notes: Sectional 47 The Miners are looking for their first sectional title since 2010. Vincennes Rivet moving up into Sectional 47 doesn't make that any easier.

The Miners did graduate five seniors including two starters, Frye & Frady, but return one of the top trio of juniors in the state. Led by Junior All-Star candidate and sharp shooter **Vanessa Shafford** (16.7ppg, 7.8rpg, 4apg). Fellow junior **Aubrey Burgess** anchors the backcourt (12ppg & 2.5apg) while wing **Haley Rose** (10ppg & 4rpg) provides versatility. Sophomore **Jaylee Hayes**, previously Shakamak (11ppg & 8rpg) will add additional firepower for the Miners.

Notable games: Salem (Nov 22), Evansville Memorial (Dec 27), @ Silver Creek (Jan 25)

Sectional Notes: Sectional 46 The Musketeers are defending sectional champs, have won two of the last three, and will get a test from Crawford County and Providence but should be favored to take another.

The Musketeers, the 2017 State Champs, return all but one starter back from a 21 win team a year ago. Eastern has both experience and balance with 4 starters that return that all average over 7.5ppg. Led by veteran senior guard **Isabell Claywell** (10ppg & 2.5apg). Junior guard **Shelbi Patton** (11.5ppg & 3.5rpg) joins her in the Eastern backcourt, while junior forwards **Lilly Crumpton** (8.2ppg & 6.2rpg) and **Kendra Sill** (7.5ppg & 5rpg) anchor the frontline. The Musketeers will get production from **Shelby Case**, **McKenna Jeter**, and **Hannah Drury** as well.

Notable games: Frankton (Nov 30), Pendleton Heights (Jan 25)

Sectional Notes: Sectional 41 The Raiders will be looking for their first sectional since 2015. No Triton Central in their sectional this year, who account for their last three sectional losses, but Northeastern & Union County will make it a tough road.

The Raiders return their top two leading scorers and 81% of their offensive production from a 20 win team a year ago. Led by PG **Kathryn Perry** (17ppg & 3.3apg), along with fellow junior **Erikka Hill** (14.7ppg & 8.8rpg). Shenandoah will also count on production from juniors **Jenna Stewart** (5ppg & 5.8rpg) and **Rachel Soden**. They will need to replace the minutes of their three graduated seniors.

Notable games: Shenandoah (Nov 30), Tipton (Jan 16)

Sectional Notes: Sectional 40 The Eagles will be in the mix to grab their third title in five years after breaking through in 2016 with their first in 16 years.

Frankton will be returning 87% of their offense which includes their entire roster outside of graduated starter Sierra Southard (6.8ppg). The Eagles will be led by the Gardner sisters in senior **Addy Gardner** 9.5ppg and junior **Ava Gardner**. Senior guard **Baily Tucker** 6.8ppg and junior center **Chloe Thomas** 8ppg will provide additional production for the Eagles. **Aleyah Rastetter** and **Lauryn Bates** will also be productive pieces for the Eagles. Throw in Greencastle transfers junior **Ella Shield**, 9.7ppg & 5.3rpg, and sophomore **Mia Shields** 9ppg and the Eagles will have one of the deeper talent pools in 2A.

Notable games: Rensselaer Central (Nov 9), Morgan Twnshp (Dec 3), South Central UM (Dec 14)

Sectional Notes: Sectional 34 The Bluejays are poised to three repeat as Sectional champs but will have a couple tough newcomers to deal with in Rensselaer Central and South Central union Mills.

The Bluejays are coming off their third straight 20 win season. The bad news is they graduated four key seniors including Maddy Schumacher (17.6ppg) and have lost 57% of their points. The good news is they return one of the states most prolific scorers in Indiana Junior All Star candidate **Lilliann Frasure** (19.6ppg, 9rpg, 5.3apg) who has already surpassed the 1000 point mark in just her first two seasons. No other returner averaged over 2ppg but many are returning with varsity experience. The Bluejays hope to get freshman **Sophia Frasure** in the second half of the season when she returns from injury.

# 1A Indiana High School Preview

The 1A landscape will change dramatically as the two teams that have played in the last two State Championships, Marquette Catholic & Vincennes Rivet, graduated significant talent and both have been moved to 2A through the success factor. Throw in University and South Central UM moving to 2A through enrollment and Northfield losing over 50% of their offensive production and we will have a wide open 1A field. Loogootee our other preseason top 5 from a year ago returns a trio of talented juniors, while Morgan Township, Oregon-Davis, GCA, Tecumseh, and North Central Farmersburg all return talented squads.

## Pre-Season All 1A Team

G	<b>Averi Davidson</b>	2021	North Central (Farmersburg)
G	<b>Grace Adams</b>	2021	Lanesville
G	<b>Mercedes Rhodes</b>	2021	Oregon-Davis

**Morgan Township Cherokee** Coach Adams Conference Porter Sectional 49

2018-19 Record: 15-9

2018-19 Final Sagarin Rank: 161 2018-19 IGBRR Preseason: 7 / IGBRR Final Regular Season: 16

2018-19 Schedule Rank: 250

Leading returning scorer & rebounder: (Sr.) Sahara Bee 13.5 PPG (Sr.) Sahara Bee 11.3 RPG

Returning % of scoring: 99 %

Notable games: North Judson (Dec3), South Central UM (Dec10), Oregon-Davis (Jan2)

Sectional Notes: Sectional 49 Marquette Catholic have won the last 4 sectionals but their departure opens the door for Morgan Township.

The Cherokee's may not have hit their full stride last year but they return as a talented roster as any in 1A and possibly the deepest. Eight players played in over 20 contest and they return 99% of their offense. Morgan Township has a balance attack, in that they have talent at all spots with **Sahara Bee** (13.5ppg/11.3rpg), **Kassie Stanko** (8ppg/3.5rpg), **Emmy Wells** (9ppg/5.3rpg) and guards **Emma O'Brien** (8ppg/3apg), **Sydney Good** (7ppg), and **Grace Good**.

## #2

**Oregon-Davis Bobcats** Coach Minix Conference Independent Sectional 50

2018-19 Record: 15-9

2018-19 Final Sagarin Rank: 156 2018-19 IGBRR Preseason: NR / IGBRR Final Regular Season: 9

2018-19 Schedule Rank: 211

Leading returning scorer & rebounder: (Jr.) Mercedes Rhodes 20.5 PPG (Sr.) Jaden Washington 8.5 RPG

Returning % of scoring: 91%

Notable games: South Central UM (Dec 20), @ Morgan Twmsp (Jan 2)

Sectional Notes: Sectional 50 OD bowed out to South Central in the sectional championship last year but the Satellites have moved to 2A and OD should be heavy favorites this go around.

The Bobcats return nearly their entire roster, including the top five scorers, from a 15-9 campaign a year ago. OD has tons of experience and a balance attack that has plenty of scoring from both the backcourt and frontcourt. They are led by junior guard **Mercedes Rhodes** (20.6ppg/6.3rpg), while senior guards **Katelyn Sauer** (11.3ppg/4.7apg) and **Reece Danford** (5.7ppg) join her in the backcourt. Senior center **Jaden Worthington** (12.5ppg/8.5rpg) anchors the frontcourt along with senior **Sydney Williams** (9.5ppg).

2018-19 Schedule Rank: 252

Returning % of scoring: 62%

Notable games: Columbus East (Dec4), @ Tecumseh (Jan 4), Vincennes Rivet (Jan16), @ Linton S. (Jan 25)

Sectional Notes: Sectional 63 With state runner-up Rivet moving to 2A, the Lions will be the favorite to win their first sectional since 2005

The Lions return the talented junior trio of **Brooklyn Jones** (11ppg), **Kalea Fleming** (7.5ppg), and **Makenzie VanHoy** (5.8ppg) from a successful 21-4 season, two of those losses at the hands of state runner-up Vincennes Rivet (4 of their 7 losses over the last two seasons). They will need to replace the production of graduated star guard Tyanna Graber (16.8ppg), much of that may be picked up by the aforementioned juniors. Developing additional depth and contribution will be key.

Sectional Notes: Sectional 64 The Braves won their first Sectional since 2012 last year and should repeat.

The Braves will rely heavily on the athletic frontcourt duo of **Chloe Holder** (13.5ppg/7RPG) and **Kaybree Oxley** (16.7ppg/9rpg). Tecumseh will have to replace the experience and production of Dalina Meyer (9ppg/3.5apg), **Kaitlyn Helfert** (7.5ppg), and **Olivia Rudolph**. **Gracee Sullivan** (6.3ppg) and **Layne Pemberton** will be leaned on for additional production. Getting consistent play and production from the backcourt will key for the Braves.
