

2021 Midwest Winter Elite Camp

USA Girls Basketball

IGBRR Report

December 28, 2021

Noblesville, IN

Sixty plus young prospects from three states participated in the 2021 USA Girls Basketball Midwest Winter Elite Camp in Noblesville, Indiana on December 28th. The camp was led by head trainer and former Miss Basketball Courtney Moses-Delks and her staff. The participants rotated through several skill stations, along with athleticism measurement stations. At the conclusion of the station work the participants were able to listen to a leadership and recruitment talk. The afternoon included 1v1, 3v3 competitions and 5v5 games that gave the participants the opportunity to compete against one another and showcase their skills.

IGBRR was proud to be the event evaluator for the camp and assisted in the selection of the All-Camp Teams. Those selected received a plaque that was signed by the camp trainers. It was a pleasure to be a part of the event for the fourth straight year and evaluate another group of extremely talented young ladies that attended. Below is a listing of those named to the USA Basketball Midwest Winter Elite All-Camp Teams, along with competition winners.
